

第 13 课时 连加 连减(教材第 65 页)

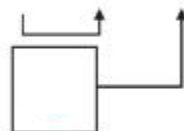

开心! 一练

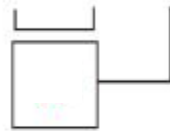

一 $3 + 2 + 4 = \square$

$10 - 5 - 2 = \square$

$4 + 4 + 2 = \square$

二 算一算。

$8 - 4 - 4 =$

$10 - 5 - 3 =$

$5 + 2 + 3 =$

$3 + 1 + 1 =$

$9 - 2 - 6 =$

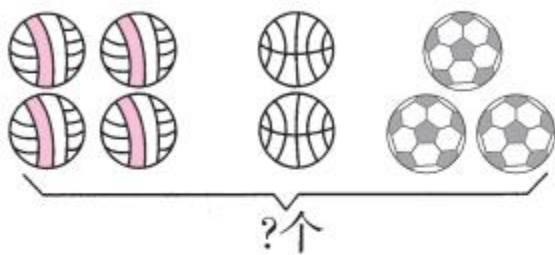

$10 - 4 - 5 =$

$4 + 2 + 4 =$

$7 - 2 - 3 =$

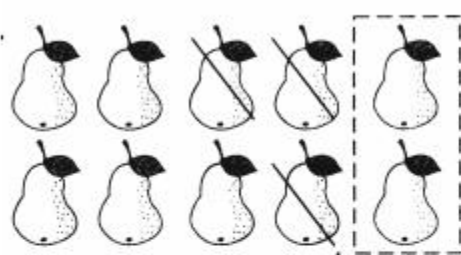

三 看图列式计算。

1.

$$4 + \square + \square = \square (\text{个})$$

2.

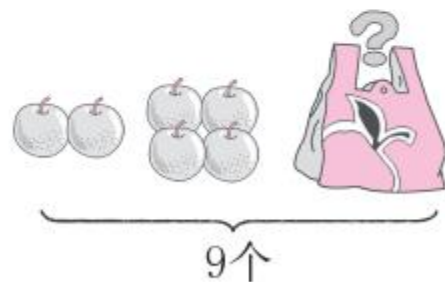

$$10 - \square - \square = \square (\text{个})$$

3.

$$\square \bigcirc \square \bigcirc \square = \square (\text{人})$$

4.

$$\square \bigcirc \square \bigcirc \square = \square (\text{个})$$

快乐！提升

四 小红前面有 6 人,后面有 3 人,这一队一共有几人?

$$\square \bigcirc \square \bigcirc \square = \square (\text{人})$$
